Private Group Tours! Just for YOUR School

When it comes to selecting a college ... a campus tour is a must.

When selecting a private tour company ... Grand College Tours offers the most!

High School Guidance Counselors and College Admissions Advisors note that a college visit is an absolute necessity for high school students interested in attending college. According to top college planners, parents who start the process early can reduce stress and their teens begin to have a sense of what different colleges and universities have to offer academically, socially and culturally.

Grand College Tours provides guided campus tours and information sessions that include meeting with the admissions department, visiting the campus housing and dining rooms, and seeing the athletic and activities buildings of Florida's top colleges.

Students will visit the University of Florida, University of Central Florida, Florida State University, University of North Florida, University of South Florida (Tampa and St. Petersburg), Florida Gulf Coast University, Flagler College, and the University of Tampa. We can also customize a tour for your school if you like to add additional schools or substitutions from the above list.

This 3 day, 2 night tour (dates of your choice) includes round trip bus transportation from south Florida, quad hotel accommodations, three meals daily, college campus tours, admission representative meetings, college information packets, and supervised evening activities. *Double accommodations are available at a higher price.

In addition, fun activities such as bowling on campus or a fun evening at an indoor Trampoline Arena or Bubbleball and a visit to the state Capitol building in Tallahassee is **included**.

Grand Edventures, Inc. parent company of Grand College Tours, is a respected name in the field of educational travel. The Director/Owner, Seth Wirshba, has over 30 years of experience designing and implementing tours of Universities across the United States and Canada. The company is registered and approved by the State of Florida Agricultural and Consumer Affairs Division and Palm Beach County Schools. All of their tours are conducted by experienced adult chaperones.
