# About You

You hear it from colleges. Come visit! You hear it from your high school counselor and friends. Have you visited any campuses yet?

A campus visit is your opportunity to get a first-hand view of a college. A college catalog, brochure, or website can only show you so much. To really get a feel for the school, you need to walk around the campus, visit the dorms and get a feel for college life.

Grand College Tours allows you to visit the major Florida schools and gives you an opportunity to see a college **beyond the brochure**.

It is also a great time and money saver narrowing down your favorite schools for future family visits.
